FOR IMMEDIATE RELEASE

December 22, 2011

Alamo RMA Construction closure for the US 281 / Loop 1604 Interchange project

(San Antonio) – Weather permitting, the following night closure will occur for the US 281/ Loop 1604 Interchange Project.

Loop 1604 Westbound Frontage and Main Lane Closure

Closure: Loop 1604 Westbound right main lane and left frontage lane from Gold Canyon to US 281 Exit Ramp will be closed. The main lane and frontage road will be closed nightly for the safety of drivers and construction crews.

Date/Time: Night closure only, Tuesday, December 27 - Saturday, January 7 from 10:00 p.m. - 5:00 a.m.

Activity: Construction crews will begin placement of the concrete beams to connect the US 281 North to Loop 1604 East direct connector.

Detour: Traffic wishing to use the US 281 Exit Ramp will be asked to use the Gold Canyon Exit Ramp.

About the Alamo Regional Mobility Authority

Overseen by a seven-member Board of Directors, the Alamo RMA includes a professional staff and consultant team that are committed to finding ways to empower our local community to take charge of our transportation future. The purpose of the Alamo RMA is to provide Bexar County with opportunities to accelerate needed transportation projects - through the direction of a local board making local choices about local mobility needs - that enhance the quality of life and economic growth for all residents in our region
