The Honorable Charles Gonzalez  
Congressman District 20  
U.S. House of Representatives  
727 E. Durango, B-124 Federal Bldg  
San Antonio, TX 78206

Dear Congressman Gonzalez,

The Alamo Regional Mobility Authority will conduct a Public Meeting relating to the preparation of a Categorical Exclusion for the proposed improvements to construct the southern four direct connectors of the U.S. 281 North/Loop 1604 interchange (the "Project"). The Project will also include all necessary modifications to the U.S. 281 North and Loop 1604 main lanes and frontage roads to allow for the safe entrance and exit of the direct connector traffic to and from these roadways. The limits for the Project extend from approximately Bitters to Redland Road on Loop 1604 (approximately 6 miles) and Bitters to Loop 1604 on U.S. 281 North (approximately 3 miles).

A draft CE is being prepared for this Project. A biological assessment of this area was conducted and is awaiting approval by the U.S. Fish & Wildlife Service, and coordination is also underway with the Texas Parks & Wildlife Department.

Information regarding the Project including a draft of the CE can be viewed at [www.AlamoRMA.org](http://www.AlamoRMA.org). A copy of the draft CE will also be available for viewing at Ronald Reagan Library located at 19000 Ronald Reagan, San Antonio, Texas 78258.

The Public Meeting will be held: **Monday, January 11, 2010**  
**Parkhills Baptist Church 17747 San Pedro Avenue San Antonio, Texas 78232**  
Doors will open at 5:30pm for an open house; a formal presentation begins at 7:00pm followed by public comments beginning at 7:30pm.

Comments not provided at the public meeting should be submitted to the following address: Alamo Regional Mobility Authority, 1222 North Main Avenue, Suite 1000, San Antonio, Texas 78212, Attn: U.S. 281/Loop 1604 Interchange Project. Fax: (210) 495-5403 or email [Interchange@AlamoRMA.org](mailto:Interchange@AlamoRMA.org). San Antonio, TX 78221

Dear Representative Farias,

The Alamo Regional Mobility Authority will conduct a Public Meeting relating to the preparation of a Categorical Exclusion for the proposed improvements to construct the southern four direct connectors of the U.S. 281 North/Loop 1604 interchange (the "Project"). The Project will also include all necessary modifications to the U.S. 281 North and Loop 1604 main lanes and frontage roads to allow for the safe entrance and exit of the direct connector traffic to and from these roadways. The limits for the Project extend from approximately Bitters to Redland Road on Loop 1604 (approximately 6 miles) and Bitters to Loop 1604 on U.S. 281 North (approximately 3 miles).

A draft CE is being prepared for this Project. A biological assessment of this area was conducted and is awaiting approval by the U.S. Fish & Wildlife Service, and coordination is also underway with the Texas Parks & Wildlife Department.

Information regarding the Project including a draft of the CE can be viewed at [www.AlamoRMA.org](http://www.AlamoRMA.org). A copy of the draft CE will also be available for viewing at Ronald Reagan Library located at 19000 Ronald Reagan, San Antonio, Texas 78258.

The Public Meeting will be held: **Monday, January 11, 2010**  
**Parkhills Baptist Church 17747 San Pedro Avenue San Antonio, Texas 78232**  
Doors will open at 5:30pm for an open house; a formal presentation begins at 7:00pm followed by public comments beginning at 7:30pm.

Comments not provided at the public meeting should be submitted to the following address: Alamo Regional Mobility Authority, 1222 North Main Avenue, Suite 1000, San Antonio, Texas 78212, Attn: U.S. 281/Loop 1604 Interchange Project. The Honorable Jeff Wentworth  
Senator District 25  
Texas Senate  
1250 NE Loop 410, Ste. 925  
San Antonio, TX 78209

Dear Senator Wentworth,

The Alamo Regional Mobility Authority will conduct a Public Meeting relating to the preparation of a Categorical Exclusion for the proposed improvements to construct the southern four direct connectors of the U.S. 281 North/Loop 1604 interchange (the "Project"). The Project will also include all necessary modifications to the U.S. 281 North and Loop 1604 main lanes and frontage roads to allow for the safe entrance and exit of the direct connector traffic to and from these roadways. The limits for the Project extend from approximately Bitters to Redland Road on Loop 1604 (approximately 6 miles) and Bitters to Loop 1604 on U.S. 281 North (approximately 3 miles).

A draft CE is being prepared for this Project. A biological assessment of this area was conducted and is awaiting approval by the U.S. Fish & Wildlife Service, and coordination is also underway with the Texas Parks & Wildlife Department.

Information regarding the Project including a draft of the CE can be viewed at [www.AlamoRMA.org](http://www.AlamoRMA.org). A copy of the draft CE will also be available for viewing at Ronald Reagan Library located at 19000 Ronald Reagan, San Antonio, Texas 78258.

The Public Meeting will be held: **Monday, January 11, 2010**  
**Parkhills Baptist Church 17747 San Pedro Avenue San Antonio, Texas 78232**  
Doors will open at 5:30pm for an open house; a formal presentation begins at 7:00pm followed by public comments beginning at 7:30pm.

Comments not provided at the public meeting should be submitted to the following address: Alamo Regional Mobility Authority, 1222 North Main Avenue, Suite 1000, San Antonio, Texas 78212, Attn: U.S. 281/Loop 1604 Interchange Project. Dear Councilwoman Taylor,

The Alamo Regional Mobility Authority will conduct a Public Meeting relating to the preparation of a Categorical Exclusion for the proposed improvements to construct the southern four direct connectors of the U.S. 281 North/Loop 1604 interchange (the "Project"). The Project will also include all necessary modifications to the U.S. 281 North and Loop 1604 main lanes and frontage roads to allow for the safe entrance and exit of the direct connector traffic to and from these roadways. The limits for the Project extend from approximately Bitters to Redland Road on Loop 1604 (approximately 6 miles) and Bitters to Loop 1604 on U.S. 281 North (approximately 3 miles).

A draft CE is being prepared for this Project. A biological assessment of this area was conducted and is awaiting approval by the U.S. Fish & Wildlife Service, and coordination is also underway with the Texas Parks & Wildlife Department.

Information regarding the Project including a draft of the CE can be viewed at [www.AlamoRMA.org](http://www.AlamoRMA.org). A copy of the draft CE will also be available for viewing at Ronald Reagan Library located at 19000 Ronald Reagan, San Antonio, Texas 78258.

San Antonio, TX 78217

Dear Dr. Middleton,

The Alamo Regional Mobility Authority will conduct an Public Meeting relating to the preparation of a Categorical Exclusion for the proposed improvements to construct the southern four direct connectors of the U.S. 281 North/Loop 1604 interchange (the "Project"). The Project will also include all necessary modifications to the U.S. 281 North and Loop 1604 main lanes and frontage roads to allow for the safe entrance and exit of the direct connector traffic to and from these roadways. The limits for the Project extend from approximately Bitters to Redland Road on Loop 1604 (approximately 6 miles) and Bitters to Loop 1604 on U.S. 281 North (approximately 3 miles).

A draft CE is being prepared for this Project. A biological assessment of this area was conducted and is awaiting approval by the U.S. Fish & Wildlife Service, and coordination is also underway with the Texas Parks & Wildlife Department.

Information regarding the Project including a draft of the CE can be viewed at [www.AlamoRMA.org](http://www.AlamoRMA.org). A copy of the draft CE will also be available for viewing at Ronald Reagan Library located at 19000 Ronald Reagan, San Antonio, Texas 78258.

The Public Meeting will be held: **Monday, January 11, 2010**  
**Parkhills Baptist Church 17747 San Pedro Avenue San Antonio, Texas 78232**  
Doors will open at 5:30pm for an open house; a formal presentation begins at 7:00pm followed by public comments beginning at 7:30pm.

Comments not provided at the public meeting should be submitted to the following address: Alamo Regional Mobility Authority, 1222 North Main Avenue, Suite 1000, San Antonio, Texas 78212, Attn: U.S. 281/Loop 1604 Interchange Project.
