

US 281 Loop 1604 Interchange Community Open House

Welcome!

Thank you for joining us this evening to review the proposed US 281 / Loop 1604 Interchange. The Alamo Regional Mobility Authority wants and values your input on this project.

Please visit each of the stations to learn more about the project, ask questions and give us your comments. Also, you can join us for small group discussions on relevant topics at one of the tables. Staff from the Alamo RMA and the consultants working on this project are here tonight, and you can ask any of them your questions as well. They are wearing nametags with the "Alamo RMA logo" on them.
